PROPHETIC
BLOG — Update

Think about setting priorities! Adam said: "I heard Your voice in the garden and I was afraid, because I was naked; and I hid myself." Genesis 3:10.

Out of Adam's confession came forgiveness and the beginning of the process of our redemption. An animal was slain, they were forgiven, and given a covering, as a substitute for the Shekinah covering they had lost. But that which they had taken was still within them.

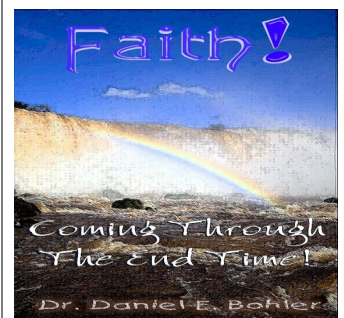

This was the "right to their own lives". The Tree of the Knowledge of Good and Evil is knowledge "apart" from God, a self choosing of that which seems right or wrong. The heart of our problem is far deeper than any ability we have to know right or wrong. Rather, it is the issue of life or death. Read Matthew 16: 24 - 27.

"For whoever desires to save his life will lose it, and whoever loses his life for My sake will find it. For what is a man profited if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul? For the Son of Man will come in the glory of His Father with His angels, and then He will reward each according to his works."

Paul, the Apostle, said to everyone: Acts 20: 24 "But none of these things move me; nor do I count my life dear to myself, so that I may finish my race with joy, and the ministry which I received from the Lord Jesus, to testify to the gospel of the grace of God."

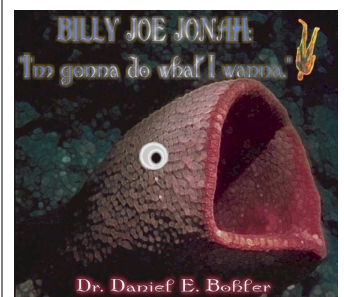

You see, real joy comes from seeing the complete fulfillment of the specific purpose for which I was created and born again, not from successfully doing something of my own choosing. The joy Jesus experienced came from doing what the Father sent Him to do. And He says to us, "As the Father has sent me, I also send you. John 20:21. Have you received a ministry from the Lord? If so, you must be faithful to it -- to consider your life valuable only for the purpose of fulfilling that ministry. Knowing that you have done what Jesus sent you to do, think how satisfying it will be to hear Him say to you - Matthew 25:21 "Well done, good and faithful servant." We each have to find a niche in life, and spiritually we find it when we receive a ministry from the Lord. To do this we must have a clear fellowship with Jesus so as He can reveal it to us in His timing.

An example of setting proper priorities is seen in the life of the Apostle Paul to the Gentiles. This man with all that he had achieved and the prestige and privileges associated with his education at the feet of Gamaliel, his standing in the Jewish society of his day, and all the possibilities of a so called successful life were put to the test after his encounter with the Lord Jesus Christ on the road to Damascus. It is truly amazing just a couple of miles from out side of Damascus, this prideful man was dealt with greatly by God. A tank ran me down and up the steps of a building and then hit me across my neck and chest with a huge weapon. I fell to the ground, and a person whom I did not know saved my life. I mentioned this to say - later Philipians 3:7-14 began to mean something to me. "But what things were gain to me, these I have counted loss for Christ. But indeed I also count all things loss for the excellence of the knowledge of Christ

EVERYTHING GOD DOES IS REDEMPTIVE *Continued*

Dr. Daniel E. Bohler

Jesus my Lord, for whom I have suffered the loss of all things, and count them as rubbish, that I may gain Christ and be found in Him, not having my own righteousness, which is from the law, but that which is through faith in Christ, the righteousness which is from God by faith;

That I may know Him and the power of His resurrection and the fellowship of His sufferings, being conformed to His death, if, by any means, I may attain to the resurrection from the dead. Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus.”

You can see after reading these verses Paul wrote, that he was saying that everything (all) connected with his life, the positive and the negative, the good and the indifferent, everything is reduced to one desire, resulting in a clear and main priority!

This that I am talking about is going to happen to many Christians who are full of more pride than the oceans can contain! They won't like it; but it will be the only way they will ever come to the place of making a decision: to give it all for Christ or just live for themselves. It's going to be very tough on millions--like it was for me! Thank God, I let Jesus work in me and on me. I pray that you have ears to hear!

YEILDING

By Oswald Chambers - My Utmost For His Highest - (March 14 entry)

“...you are that one's slaves whom you obey...” (Romans 6:16).

The first thing I must be willing to admit when I begin to examine what controls and dominates me is that I am the one responsible for having yielded myself to whatever it may be. If I am a slave to myself, I am to blame because somewhere in the past I yielded to myself. Likewise, if I obey God I do so because at some point in my life I yielded myself to Him.

If a child gives in to selfishness, he will find it to be the most enslaving tyranny on earth. There is no power within the human soul itself that is capable of breaking the bondage of the nature created by yielding. For example, yield for one second to anything in the nature of lust, and although you may hate yourself for having yielded, you become enslaved to that thing. (Remember what lust is--“I must have it now,” whether it is the lust of the flesh or the lust of the mind.) No release or escape from it will ever come from any human power, but only through the power of redemption. You must yield yourself in utter humiliation to the only One who can break the dominating power in your life, namely, the Lord Jesus Christ. “...He has anointed Me...to proclaim liberty to the captives...” (Luke 4:18 and Isaiah 61:1).

When you yield to something, you will soon realize the tremendous control it has over you. Even though you say, “Oh, I can give up that habit whenever I like,” you will know you can't. You will find that the habit absolutely dominated you because you willingly yielded to it. It is easy to sing, “He will break every fetter,” while at the same time living a life of obvious slavery to yourself. But yielding to Jesus will break every kind of slavery in any person's life.

Will the Church rise up and be the Church of the Bible or will it end up being the lukewarm Church of Revelation. We only have a year before it is over. Make your choice today! Bro. Dan.

Greetings in the wonderful name of our Lord and Savior!

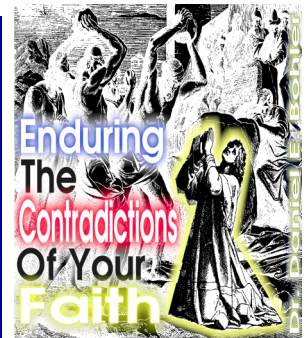

This may possibly be the strongest letter I have ever written to the friends of this ministry regarding America's plight. I write it today as I can no longer stay silent on things I know and the cares I am holding in my heart concerning our Nation. Further, I believe that you too care deeply about the land our children will inherit and want them to live in peace as much as possible in their lifetime.

I want to address two things; first, I want to discuss the reality of our enemies and secondly, our capacity as a Nation to deal with the first concern. This is a letter from my heart and it is prophetic in nature and not a lengthy newsletter or thesis on the important subject matter of America's safety. Therefore, I will address issues without a great deal of documented support. Nevertheless, you can easily go onto the Internet and quickly find all the support you desire on anything I state, as it is readily available. I will however give you a bit of information in tandem with the prophetic picture I wish to elucidate.

AMERICA'S CONCERNS:

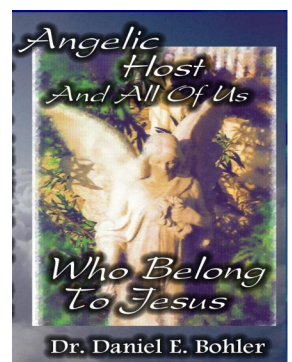

First and foremost, our greatest concern is the Catholic Institution. I know what I am going to say is going to offend some and for that, I am deeply sorry. I do not desire to offend but to enlighten. However, in some cases people have to walk over the offence of truth to reach the light that gives safety in the end. I also want to point out before I go further, that I am not about to speak evil of the general Catholic person in the pew. These people have no idea what their leaders are up to behind closed doors.

Again, our greatest concern is the Catholic Church. This is true for two reasons. The hierarchy of the world-wide church reigns over an institution that appears to be benign. However, it is a dangerous, seemingly sleeping giant whose roots are in Rome. The prophet Daniel foretold that Rome would be the last bastion of power to be overcome in the world. (Daniel chap. 7). It is out of the Roman Catholic Church that the False Prophet will arise. He is the foreseen Black Pope and the last one that will ever sit on that ecumenical seat of power. He is the mouthpiece and director of the last days' One World Religion. The Pope's days are busy even now working feverishly to ingest all religions into the temple built to the Beast. Secret meetings have been held for years with key leaders such as the Dalai Lama for the purpose of deciding how to bring the world populace into this mystery Temple. I have shared in newsletters how documented meetings have been conducted right here in the US to engineer the return of the Protestant Church to the Catholic Church. It looks like a Religious Institution that holds power only in the realm of religion. The truth is that the powers of the Catholic Church are part of the most powerful forces in the world guiding and directing the human race into the arms of destruction. In fact the Pope will be the False prophet told about in the book of Revelations, that alone should tell us his office is an extremely dangerous force. I could go into great insight given to me by the Lord about this insidious evil hidden behind sheep's clothing, however, this is a letter and

not a thesis. I will warn of one more thing; the Catholic Church is an overshadowing force of all governments of the world and has been for many centuries. It also overshadows the Christian Church in more ways than you may know. The goal is to lead the Church into increasing levels of compromise and it is succeeding. I will not go into details here as to how they are accomplishing that, nevertheless it is obviously occurring.

Second, the antichrist will also arise out of the old Roman Empire. His agents are even now working behind closed doors and in secret councils with world leaders preparing his entrance onto the world stage. The Roman Government seen by the Prophet Daniel has been alive and well since its inception over 2000 years ago. Today it is a secret international web of a most functional shadow government working behind the scenes worldwide. The name by which it is becoming popularly known is the "Illuminati" and also, "The One World Government Movement." It is real and pervasive and its greatest friend has been secrecy. The movement on the governmental side was born in the 1700s and spearheaded by the Rothschild Family who worked with a Catholic Jesuit by the name of Adam Weishaupt, who was probably the genius behind the movement, and actually a distant disciple of Loyola who spearheaded the Jesuit movement and the original Illuminati in the 1500s, and another man by the surname of Jacob. Rothschild initially provided the finances. Soon however, many elite families became involved, and the movement progressed from there working in conjunction with Freemasonry. Today it is supported by most governments in the world either willingly or unwillingly. The Lord has taken me behind the scenes many times to hear and see what is being done and planned for the world. These visits have occurred in the spirit therefore the angel who took me in kept me hidden and unseen. Most of what I have seen and heard over recent years has already come to pass. I have kept this information quiet and simply prayed with the exception of telling my colleagues. We have prayed a great deal over some of these things in our GOEs using documented information upon which to base our intercession. The angel of the Lord told me in 1990 that "in the days ahead if you are not a New World man you better be saved as you will not survive." Before I published the book in which I shared that story, President Bush Sr. announced publicly that a New World Order was coming. He knew because he is part of it.

AMERICA'S POSITION IS AS FOLLOWS

There are three levels at which a nation can become involved - #1 being the initial level and #3 being the highest. We are secretly in level 3. Our banks are Illuminati, our Justice System is Illuminati, our Government is Illuminati, and our Universities are Illuminati. Not every member of these four branches is an Illuminist. It has been made clear that it is not about certain people, rather ideology and practice by which the systems function. Is it possible to rid America of this cancer? Yes! There is so much more I would like to say but time and space does not permit.

Islam Extremist are viable enemies. I am not speaking only of terrorist, but also of those who believe in the overtaking of America through force and ideology. Again, I could say so much more, but enough is available on the Internet I am not sure it is necessary to do so here. I thought to share dreams and visions with you, but suffice it to say, I have seen their future plans for the world. The coming Antichrist will use their zeal to his own end. It will be terrible in its import.

Although the Lord is the One that focused our team on these things, again the information is easily attainable in well documented books and articles on the Internet which is how we confirmed what we as a team saw and heard prophetically.

Cabal of International Bankers are swallowing America up. IMS, World Bank, Federal Reserve, and others are working together to destroy America's economy and by their own words; make us so poor we cannot fight them. We essentially publicly handed our banking system over to them in 2009. It was a mockery to see it aired on National TV. They are continuing to gain unbelievable wealth by the trillions while the rest of America swelters in the heat of their self-made

economic volcanoes while passive and naïve America sits by and allows it to continue. I suppose you might say that an even greater enemy to the American people is the government that allows the bullying by the International banking elite. I am saddened because these men and women do not understand that they too are expendable to these people and that they will not feel any debt whatsoever to the governmental elite that turned this nation over to them step by step, law by law. We take for instance the latest health bill passed just hours ago. We are losing our nation and the One World Government people are glad to take it off our hands.

AMERICA'S WEAKNESS

I could continue on this vein and share more but I would prefer to talk about the weakness of our Nation at this time, as well as our hope. What is our one weakness that makes us vulnerable to our enemies on many fronts? It is this: we have lost our first Love! As a Church and as a Nation, we have at various levels left our Lord in search of the world. The passion, the zeal to live for Him alone in absolute holiness has grown dim. We want the world and the things that it offers more than we want to live a life of no compromise with Jesus. Because there is such sin in the Church such as abortions, sexual promiscuity, human trafficking, adultery and perversions, idolatry, drugs and alcohol abuse, stealing, lying, and lukewarmness, we are a Nation doomed to failure. As goes the church so goes the Nation. If we are unwilling to walk before God in integrity He cannot protect us as our enemy attempts to destroy us.

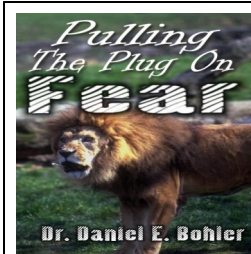

The Nation's weakness is her love of power and greed and her intolerance of Divine correction. The Church's weakness is her love of the world. Passion and holiness is the only answer for our future, coupled with much prayer and fasting.

Can we shake off the dust of this impending trouble? Yes! We really can! However, it is going to take prayer, fasting and holy living as well as the action of many who refuse to allow the Internationals to rule our Banking system as well as our home grown Rockefeller Family! First and foremost we must return to the Rock who gave us birth before it is too late. We can do nothing to help ourselves if we are not armed with Christ. He alone can make us victorious in this fateful battle.

If you agree we need you to do a few things. First, gather together in your community and pray. Repent for your sins and the sins of the Nation. Return to Jesus and live for Him in holiness and passion. Second, pay the price to come to our New York GOE being held right next door in Newark, NJ. Although we have to be just across the border, we will be praying over New York and National issues. You may have to really sacrifice to do so, but I want to strongly encourage you that if there has ever been a time to save "Ole Glory" it is now, and we must pay the price to do it. If you would find it easier, come to New Orleans and be with us as we are imploring heaven on behalf of the Nation and standing for the National victory we need. We do not have more than about a year to win or lose our Nation.

Third, if you absolutely cannot come, please support those who are out in the front lines fighting this battle. It must be won in prayer before it can be won in the natural.

THE MORNING OF MARCH 16, 2010 - Dr. Daniel E. Bohler

The Lord says, watch out Los Angeles and the San Francisco Bay area; you will shake more and more.

Great trouble is at hand.

Midwest: Great flooding is now coming again.

Northwest: Your flood waters will be worse and worse.

America, Get Prepared to help many helpless people all over the place.

Remember My word, just awhile back, "keep your eyes on the oceans?"

You saw what happened!

Now, keep your eyes on the Gulf ---it's going to get rough!

Ships at sea, had better look to Me, saith the Lord!

Many filthy cities of gross sin are about to see Satan's hordes of demons

Pen them in. Cry out to your God! The hammer is about to fall!

Satan is going to have a field day in some of our Malls.

The White House will continue to shake and many heads will roll. And as I said

Before and I repeat again, men will resign but not in time before their name

Becomes mud! The sellout of our Nation is at the highest level ever! No one to trust! We'll have to start over after the burst!

The Euro dollar will continue to fall as Greece goes bankrupt before the Fall.

Winter will come and then Spring of 2011 and Poland will go into the deep as

Their economy has now gone to sleep!

I see unusual fires in Washington D.C. And many will say "it won't get to me".

But I say to the churches, pray; put up the wall of prayer! Fires will burn "HOT" and you will need help! Cry out to your God! ---Another type "Katrina" is at hand inside of America's great land. Intercessors, Cry Out to God, for protection for all our schools, hospitals and Malls. God will protect His own as they stand in faith

Honoring His Word and living for Him!

Draw close to Me and dwell under the shadow of My wing! Therein is your safety!
